

# Cheapest residential solar battery installation offer in Singapore

How much does a solar panel installation cost in Singapore?

The cost of installation will vary dependent on numerous variables, including the amount of solar panels installed. The cost of a solar panel installation in Singapore varies from S\$15,000 to S\$38,000 or more. That stated, a fair estimate would be S\$20,000 since most home solar panel systems are roughly 10 kWp (S\$2,000/kWp).

How to get a free solar panel installation quote in Singapore?
