

Enterprise ESS system project financing options in Zambia 2025

What is the Enterprise Zambia Challenge Fund?

The Enterprise Zambia Challenge Fund is a program that supports projects by small and medium sized agri-enterprises that integrate smallholder farmers into value chains as suppliers and/or customers. These agri-enterprises must demonstrate how they are benefitting smallholder farmers.

How does Zambia support the small and medium enterprise sector?

The Zambian government's commitment to the growth and development of the small and medium enterprise (SME) sector is evident in the wide range of incentives, support programs, and regulatory facilitation measures it has implemented.

What is Zambia's SME development strategy?

One of the key focus areas of the Zambian government's SME development strategy is to improve access to finance and capital for small and medium enterprises. To this end, the government has implemented a range of financial incentives and support programs that are designed to address the unique financing needs of the SME sector.

How can SMEs capitalize on government incentives and support programs in Zambia?

To fully capitalize on the government's incentives and support programs, SMEs in Zambia should adopt a proactive and strategic approach. Here are some key strategies to consider: Carefully review the eligibility criteria and requirements for each government incentive or support program.

What tax incentives does Zambia offer to SMEs?

The Zambian government offers a variety of tax incentives and benefits to encourage the growth and development of SMEs. These include: New SMEs may be eligible for a tax holiday for the first 5 years of operation, depending on their location and sector of operation.

What is USAID Zambia enterprise development & growth enhanced (edge) activity?

The USAID Zambia Enterprise Development and Growth Enhanced (EDGE) Activity is a five-year \$14.5 million activity that aims to create jobs and increase the profitability of small-and-medium sized agricultural enterprises (SMEs) in Zambia. To achieve this aim, the Activity will improve the SMEs' competitiveness and access to finance.
