

Enterprise ESS system supplier quotation in Netherlands 2026

How can a company become a supplier to ESS?

This page serves as an overview of the entry points to ESS, providing guidance on how companies can become suppliers to ESS. Companies interested in ESS business opportunities can register a business profile in the ESS Supplier Portal to enable matching of potential suppliers with ongoing procurements.

What should a company know about ESS?

Companies interested in doing business with ESS should familiarise themselves with the applicable rules and policies governing work on the ESS premises. Additional details will be provided once a contract is awarded. Please note that the information on these pages may change over time.

What are ESS Guidelines for suppliers?

ESS Guidelines for Suppliers on the ESS ERIC Procurement Process This information focuses on practical issues related to the implementation of European Spallation Source ERIC Procurement Rules. Companies interested in doing business with ESS should familiarise themselves with the applicable rules and policies governing work on the ESS premises.

Will the external ESS market recover in 2025?

IDC expects that the recovery of the external ESS market will be pushed into 2025 as the strong growth in investments into computing infrastructure will start slowing down.

How did the external OEM enterprise storage systems market perform in 2024?

The external OEM enterprise storage systems (ESS) market reported annual growth of 3.6% in the fourth quarter of 2024, completing the year at 2.5% annual growth and \$33.5 billion in spending. Despite a recovery cycle after declines in 2023 the spending for the year was just \$100 million shy from the level of spending in 2022.

Where can I find current business opportunities at ESS?

Current and forthcoming business opportunities at ESS are posted in the Procurement Listings. Completed tenders are published quarterly in the Contract Award Notices. All procurement follows the European Spallation Source ERIC Procurement Rules, which align with the EU treaty principles of transparency, non-discrimination and competition.
