

# Enterprise ESS system supplier quotation in New Zealand 2025

How is ESS taxed in New Zealand?

In New Zealand, the taxation of ESS is governed by the Income Tax Act 2007, with specific rules that benefit startups. For 2025, tax advantages remain a key incentive for employees taking part in an ESS. Generally, employees who purchase options under an ESS benefit from the following tax advantages:

How do I set up an ESS in New Zealand?

To set up an ESS and obtain the startup tax concession in New Zealand, your company must meet specific eligibility requirements. It is essential to consult with legal and financial professionals to ensure your scheme is structured correctly. To help you determine eligibility, consider the following questions:

When will eInvoices be required in New Zealand?

The New Zealand Government will also begin consultations with businesses, which will require certain government suppliers to send eInvoices as part of the Government Procurement Rules, with the outcomes of these consultations due to be reported back to Cabinet by February 2025. Previous Is it time to ditch CPI for B2B price variation formulae?

What is an ESS & why is it important?

An ESS aligns the interests of the company and its employees, providing added motivation to work diligently. It can lessen the financial pressure associated with offering highly competitive salaries to attract top talent. If employees make an upfront payment for shares, an ESS can generate valuable cash flow for your business.

Do startups qualify for ESS?

The majority of startups typically qualify for the net tangible assets method, allowing them to offer ESS interests at a discounted rate, which helps motivate and retain talent. For further reading, check out our guide on setting up a small company. [How Are Options Offered In An Employee Share Scheme Taxed?](#)

What are the tax benefits of purchasing options under an ESS?

Generally, employees who purchase options under an ESS benefit from the following tax advantages: Tax on the purchased option is deferred until the shares are eventually sold. Upon sale of the shares, if the holding period meets the prescribed duration, employees may be eligible for an income tax concession.
