

Government procurement price of C

What is government procurement?

In the United States, the processes of government procurement enable federal, state and local government bodies in the country to acquire goods, services (including construction), and interests in real property.

Are government contracts subject to cost and pricing regulations?

Most industries in the United States are not subject to cost and pricing regulations. Government contracting is one of the few exceptions. In the commercial marketplace, prices are determined primarily by supply and demand. A seller's cost influences the price it will be willing to accept for its products and services.

Where can I find federal government procurement data?

United States federal government procurement data can be found on the following sites: Under the WTO revised GPA Parties are required by Article XVI.4 to submit to the WTO Committee on Government Procurement on an annual basis statistics on the procurements covered by the GPA. U.S. Submissions on Statistics to the WTO GPA Committee

What is a federal government procurement contract?

Contracts for federal government procurement usually involve appropriated funds spent on supplies, services, and interests in real property by and for the use of the Federal Government through purchase or lease, whether the supplies, services, or interests are already in existence or must be created, developed, demonstrated, and evaluated.

Does the government negotiate price based on cost?

When parties negotiate price based on cost or enter into flexibly priced contracts, they require a common understanding of what cost or pricing data the seller is required to disclose, which costs the buyer is willing to pay, and how those costs will be measured and allocated to contracts. The Government typically does not negotiate these terms.

How can government procurement be analysed?

One approach to analysing government procurement of large systems such as weapons systems is to use real options analysis. Such procurements can be done in single annual lots ("single-year procurements" or SYPs), or, with Congressional approval, multi-year procurement (MYP) contracts.
