

Government procurement price of enterprise ESS system in Australia

How do the SME statistics estimate the level of government procurement?

The SME Statistics estimate the level of SME participation in Government procurement. The estimate is provided by the Australia Bureau of Statistics (ABS) based on AusTender data and the ABS Business Register.

Does the current ERP solution meet Services Australia's requirements?

Considering Minister Shorten's advice that the current ERP solution is not suitable to meeting Services Australia's requirements, the Panel notes the 18 functional capabilities completed to date falls short of both the MVP1.1 (of 39 functional capabilities) and the MVP1.0 for whole-of-government purposes (54 functional capabilities).

How much money did SMEs earn in 2022-23?

The estimate is provided by the Australia Bureau of Statistics (ABS) based on AusTender data and the ABS Business Register. Approximately 100 businesses classified as SMEs in 2022-23 were awarded contracts worth \$2.3 billion in 2023-24 and re-classified as a large business.

How much value does Commonwealth Procurement offer SMEs?

While the value in overall Commonwealth procurement increases, the proportion of value has remained consistent when compared to the total value awarded. The Commonwealth awarded 43,642 contracts to SMEs representing 52 percent of contract volume. SMEs won 2,301 more contracts than compared to 2018-19.

What is APS ERP?

Compared to the centralised and consolidated nature of GovERP - also known as the Shared Services Transformation Program - APS ERP allows individual agencies to choose what ERP solution they want and how they want to implement them.

What is the difference between govERP and APS ERP?

"The previous GovERP model was based on a big-bang approach whereas APS ERP is very much taking a step-by-step process so agencies can forge their own path and decide what's best for them, as well as align themselves with the approval process and business case process that they would need to go through to get funding."
