What is solar for Rakyat incentive scheme (Solaris)?

According to the media statement released by the YAB Deputy Prime Minister and Minister of Energy Transition and Water Transformation (PETRA) on 27 March 2024, the government has introduced a specific incentive program to encourage the installation of solar PV systems for domestic consumers known as the Solar for Rakyat Incentive Scheme (SolaRIS).

How many MW will be allocated for floating solar projects?

Lastly, the fourth package allocates 500 MW for floating solar projects between 10 MW and 500 MW. Interested companies or consortia can purchase the Request for Proposal (RfP) document till April 16 on the website of the Energy Commission (Suruhanjaya Tenaga), which runs the LSS competitive bidding programme.

Can a business claim a 100% capital allowance for a solar project?

GITA allows businesses to claim a 100% capital allowance, which can offset up to 70% of statutory income over 5 years. This applies whether you're using the solar system internally or for green projects. GITE offers up to 70% income tax exemption for solar leasing projects (between 3-30 MW), with durations of 5-10 years depending on project size.

How many mw can a solar project produce in 2021?

This exceeds the capacity previously offered in the fourth round in 2021. The tender comprises four packages. The first two packages cater to rooftop or ground-mounted solar projects, each providing a maximum capacity of 250 MW.

How will Aeon's solar subscription scheme work?

The scheme will offer subscriptions for citizens installing solar at Aeon branches. Government employees will be offered solar financing facilities with competitive interest through Sols Energy. Meanwhile, a solar subscription facility based on a zero capital model will be available to domestic solar users using BSN.

KUALA LUMPUR (Feb 7): Fresh from finalising the large scale solar 5 (LSS5) winners, the Ministry of Energy Transition and Water Transformation (Petra) is targeting to kick off the bidding round for LSS6 in the second quarter of this year.
