What is a Seiko 5?

In the 1960s Seiko debuted the Seiko 5 line, promising outdoorsy folks the following five characteristics: (1) automatic winding, (2) a day/date window, (3) water resistance, (4) a recessed crown at the 4 o'clock position and (5) a durable steel case. Seiko relaunched the collection and concept in 2019, resurrecting the name Seiko 5 Sports.

Is the Seiko 5 sports re-born?

Today, with the creation of a new design and a broad new collection, this much loved timepiece is re-born. Welcome to the new Seiko 5 Sports, a collection with all the same values but a fresh new look.

Today, with the creation of a new design and a broad new collection, this much loved timepiece is re-born.

What's new with Seiko 5 sports SKX?

The updated references revert to the original SKX design with a dot minute track around the entire bezel. But the update also extends to the bracelets, which feature another easter egg for the Seiko super fans. Two of the four new 5 Sports SKX watches come on a steel three-link bracelet.

How does the new Seiko 5 work?

The automatic mechanical movement, Seiko's 4R36 calibre, means you never have to worry about batteries again, and you get to wonder at it through the new display case-back. The lugs are drilled on the new Seiko 5 to allow for easy strap swaps, when a bracelet is not right for the occasion.
